Eaton-Marina Power & Lighting ("Seller") Warranty Policy – Supplement to Seller's Selling Policy 25-000.

This Warranty Policy is intended to only supplement and/or alter the "Warranty" provision of Seller's Selling Policy 25-000. All other terms and conditions contained in the Selling Policy 25-000 remain in full force and effect.

Warranty for Pedestals Housings for Eaton-Marina Power & Lighting Product Series

Seller warrants that the housings of all Pedestals manufactured by it ("Housings") will conform to Seller's applicable specifications and be free from failure due to defects in workmanship and material for the limited lifetime. (Minimum life expectancy defined as 60 months)

In the event the Housing fails to comply with the foregoing warranty Seller will, at its option, either (a) repair or replace the defective Housing, or defective part or component thereof, F.O.B. Seller's facility freight prepaid, or (b) credit Buyer for the purchase price of the Product. All warranty claims for Housings shall be made in writing. Seller requires all non-conforming Products be returned at Seller's expense for evaluation unless specifically stated otherwise in writing by Seller.

This warranty does not cover failure or damage due to shipping, storage, installation, operation or maintenance not in conformance with Seller's recommendations and industry standard practice or due to accident, misuse, overvoltage, submersion, abuse or negligence. This warranty does not cover reimbursement for labor, power washing, gaining access, removal, installation, temporary power or any other expenses, which may be incurred in connection with repair or replacement. Paint touch up maintenance maybe required over the life of the product.

This warranty does not apply to equipment not manufactured by Seller. Seller limits itself to extending the same warranty it receives from the supplier.

Warranty for Internal Components for Eaton-Marina Power & Lighting Products

Eaton-Marina Power & Lighting internal component products are covered under the warranty set forth in Seller's Selling Policy 25-000.

Warranty for Meters & LED's for Eaton-Marina Power & Lighting Products

Seller warrants that the meters and LED's manufactured by it ("Meters, LED's") will conform to Seller's applicable specifications and be free from failure due to defects in workmanship and material for three (3) years.

In the event a Meter or LED fails to comply with the foregoing warranty Seller will, at its option, either (a) repair or replace the defective Meter/LED, or defective part or component thereof, F.O.B. Seller's facility freight prepaid, or (b) credit Buyer for the purchase price of the Product. All warranty claims for Meters / LED shall be made in writing. Seller requires all non-conforming Products be returned at Seller's expense for evaluation unless specifically stated otherwise in writing by Seller.

This warranty does not cover failure or damage due to storage, installation, operation, or maintenance not in conformance with Seller's recommendations and industry standard practice or due to accident, misuse, overvoltage, submersion, abuse or negligence. This warranty does not cover reimbursement for labor, gaining access, removal, installation, temporary power or any other expenses, which may be incurred in connection with repair or replacement. This Warranty is void if factory seal is broken.

This warranty does not cover wire harnesses, Current Transformers (CTs) and counters. These components are covered under selling policy 25-000.

This warranty does not apply to equipment not manufactured by Seller. Seller limits itself to extending the same warranty it receives from the supplier.
