

## **Company Information**

**Eaton's Cutler-Hammer business is a worldwide leader providing customer-driven solutions. From power distribution and electrical control products to industrial automation, the Cutler-Hammer business utilizes advanced product development, world-class manufacturing, and offers global engineering services and support. To learn more about Eaton's innovative Cutler-Hammer products and solutions call 1-800-525-2000, for engineering services call 1-800-498-2678, or visit [www.cutler-hammer.com](http://www.cutler-hammer.com).**

**Eaton Corporation is a global \$8 billion diversified industrial manufacturer that is a leader in fluid power systems; electrical power quality, distribution and control; automotive engine air management and fuel economy; and intelligent truck systems for fuel economy and safety. Eaton's 54,000 employees work in 29 countries on six continents. For more information, visit [www.eaton.com](http://www.eaton.com).**

Product Focus

**Mobile Home Panels**

# Make way...

these babies are not only wider, they're more versatile.

Eaton Corporation is excited to introduce their new Cutler-Hammer Mobile Home Panels. These versatile panels have a user-friendly design that allows for a faster, cleaner install—letting you move on to your next job sooner.

100 and 200 amp Panels come complete with the main breaker and a 4/8 or 8/16 interior, respectively. The 200 amp units are designed about five inches wider than other manufacturer's panels to assure plenty of room for wire bending and an easier wiring job.

## Receptacle Deadfront Kits

(200A units include a new door) Optional receptacle deadfront kits can supply power for a variety of applications

- visiting RVs
- pool filters
- weed whackers
- air compressors
- anything else that requires power (receptacles and breakers supplied by contractor)

## Fastenerless Socket Design

- makes failure a non-issue
- no socket connections that overheat

## Pedestal Unit

- convenient and sturdy ground mounting
- loop feed feature allows several units to be connected in series

## Easier, Better and Faster Installation

- more wire bending and viewing room
- additional circuits mean more flexibility

## Cutler-Hammer Mobile Home Panels

Make way for the widest and most versatile mobile home panels on the market. Learn more about how you can offer the industry's best mobile home panel by contacting your authorized Cutler-Hammer distributor or sales engineer. Experience another dimension of Cutler-Hammer solutions by visiting
