

## We make what matters work

### About Eaton in Latin America

Eaton's mission is to improve the quality of life and the environment through the use of power management technologies and services. We provide sustainable solutions that help our customers effectively manage electrical, hydraulic and mechanical power more safely, more efficiently and more reliably. Eaton's 2020 revenues were \$17.9 billion, and we sell products to customers in more than 175 countries.

Today, we have presence in 20 countries throughout the region. And more than 20,900 employees in more than 68 sites.

### Our businesses

- In Latin America, we operate across both the [Electrical](#) and [Industrial](#) sectors.
- Our [Aerospace Group](#) designs, manufactures and integrates advanced solutions for aircraft.
- From individual components, to custom engineered solutions, our [Hydraulics Group](#) a partner of choice for motion and control products.
- Our [Vehicle Group](#) supports automotive and commercial vehicle manufacturers with products and systems.
- Combining our electrical and vehicle expertise, our [eMobility](#) business supports the world's growing electric vehicle market.

### We make what matters work\*

Every day, all around the world, people depend on technology, transportation, energy and infrastructure to live, work and thrive. And the companies who provide these products and services depend on us to help solve some of the toughest electrical, hydraulic and mechanical power management challenges on the planet.

Because we never lose sight of what matters. And it's our job to make sure it works.
