

## Task Force on Climate-related Financial Disclosures (TCFD)

TCFD publishes recommendations for voluntary climate-related financial disclosures that provide decision-useful information to lenders, insurers, and investors. We have outlined how our current sustainability reporting and disclosure aligns with TCFD recommendations for governance, strategy, risk management, and metrics and targets. We disclose our governance and management approach for our material sustainability issues, including climate change, on our [Sustainability Governance](#) page.

Disclosure area	TCFD recommended disclosure	Sources	Response
<b>Governance</b>	Disclose governance around climate-related risks and opportunities	<a href="#">Sustainability Governance</a> <a href="#">CDP Climate Response</a> <a href="#">Sustainability Report</a>	The Executive Vice President, Eaton Business System and Sustainability, is a member of Eaton's Senior Leadership Committee (SLC), and reports climate-related and environmental issues on a quarterly basis. The SLC is the highest-level non-Board committee, and its members report directly to the Board of Directors on major corporate and business issues.
<b>Strategy</b>	Disclose actual and potential impacts of climate related risks and opportunities on businesses, strategy and financial planning where material	<a href="#">CDP Climate Response</a>	We disclose our climate related risks and opportunities in our annual CDP Climate Report.
<b>Risk management</b>	Disclose how Eaton identifies, assesses and manages climate related risks	<a href="#">Sustainability Governance</a> <a href="#">CDP Climate Response</a> <a href="#">Sustainability Report</a> <a href="#">2019 Annual Report</a>	Our overall risk management process is described in our Annual Report and in our CDP Climate report. Additional detail on our efforts to reduce climate change impacts are included in our annual sustainability report.
<b>Metrics and targets</b>	Disclose the metrics and targets used to assess and manage relevant climate-related risks and opportunities where such information is material	<a href="#">CDP Climate Response</a> <a href="#">Sustainability Report</a>	Our public climate goals and targets, as well as our scope 1,2, and 3 greenhouse gas emissions data are published in our annual sustainability report and in our annual CDP Climate Report.
