and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Occupational Health and Safety Management System standard:

OHSAS 18001:2007

This certificate is valid for the following scope:

Manufacture, research, development of engineered components for vehicle markets including transmission, clutches, engine valves, tube and hose assemblies, components for engine air management, core products and powertrain/driveline control applications, core products for power controls and target safety areas, and other components

Place and date:
Barendrecht,

For the issuing office:
DNV GL - Business Assurance
Zwolsseweg 1, 2994 LB Barendrecht,
Netherlands

A blue ink signature of Erie Koek, written in a cursive style.

Erie Koek
Management Representative

Certificate No: 282244-2019-AHSO-USA-RvA
Place and date: Barendrecht,

Appendix to Certificate

Eaton Corporation, Vehicle Group

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
Eaton Automotive Components Sp. z o.o	83-110 Tczew, 30-go Stycznia 55, 83-110 Tczew, Poland	Design, manufacturing of charging devices, differentials, clutches, transmissions, fuel system and plastics moulded components for vehicle market
Eaton Corporation	1600 Airport Road, Shenandoah, IA, 51601-2936, USA	Manufacturing for the truck market including transmissions
Eaton Corporation, Vehicle Group	13100 East Michigan Avenue, Galesburg, MI, 49053-9201, USA	Manufacture, research and development of engineered components for vehicle markets including transmission, clutches, engine valves, tube and hose assemblies, components for engine air management, core products and powertrain/driveline control applications, core products for power controls and target safety areas, and other components
Eaton Industria De Transmissoes Ltda., Caxias do Sul Plant	Road RS 122, KM 87, 95001-970, Caxias do Sul, Rio Grande do Sul, Brazil	Manufacturing for the truck market including transmissions and other components
Eaton Industria De Transmissoes Ltda., Mogi Mirim Plant	Rua Engenheiro Antonio de Simone Neto, 465, 13803-576, Mogi-Mirim, Sao Paulo, Brazil	Manufacturing of engineered components for the truck and automotive markets
Eaton Industria De Transmissoes Ltda., Valinhos Plant	Rua Clark 2061 Bairro Macuco Predio 64, 13279-400, Valinhos, Sao Paulo, Brazil	Manufacturing for the truck market including transmissions, research and development of engineered components for the truck market and remanufacturing of engineered components for the truck market
Eaton Industrial System Pvt. Ltd.	Plot no. B-33 Ranjangaon Industrial Area, Taluka - Shirur, Pune - 412 210, Maharashtra, India	Manufacturing for the truck market including transmissions and other components
Eaton Industries – Mike Allen	Mike Allen #500 Parque Industrial Reynosa, 88780, Reynosa, Tamaulipas, Mexico	Manufacturing of engineered components for the automotive market and core products for Powertrain/Drivetrain control applications and for power controls and target safety areas
Avendia Chapultepec SN	Av Chapultepec S/N Parque Industrial Colonial 88570 Reynosa, Tam, Mexico	Manufacture, research, development of engineered components for vehicle markets including transmission, clutches, engine valves, tube and hose assemblies, components for engine air management, core products and powertrain/driveline control applications, core products for power controls and target safety areas, and other components
Eaton Industries s.r.o.	Karlovarska 5578, 430 01 Chomutov, Czech Republic	Manufacturing of engineered components for the automotive market and design and manufacturing of automotive hose and tube assemblies

Certificate No: 282244-2019-AHSO-USA-RvA
Place and date: Barendrecht,

Eaton Truck Components Sp.z o.o	83-110 Tczew, 30-go Stycznia 55, 83-110 Tczew, Pomorskie, Poland	Design, manufacturing of charging devices, differentials, clutches, transmissions, fuel system and plastics moulded components for vehicle market
Eaton Truck Components- Auburn Research & Technical Center	518 Michigan Avenue, Auburn, IN, 46706-1638, USA	Research and development of engineered components for the truck market and manufacturing of clutches
Eaton Truck Components, Auburn Plant	201 Brandon Street, Auburn, IN, 46706-1643, USA	Research and development of engineered components for the truck market and manufacturing of clutches
Eaton Truck Components, Kings Mountain Plant	744 South Battleground Avenue, Kings Mountain, NC, 28086-3610, USA	Manufacturing for the truck market including transmissions and other components
Eaton Truck Components, S. De R.L. De C.V., San Luis Potosi Plant	200 Avenida Circuito Mexico, 78395, San Luis Potosi, San Luis Potosi, Mexico	Manufacturing for the truck market including transmissions and clutches
Eaton Truck Components, South Bend Manufacturing Plant	2930 Foundation Drive, South Bend, IN, 46628-4337, USA	Manufacturing of engineered components for the truck market
