

End-of-Life Announcement

EOL Product

FX31000 FerrUPS

EOL Date

Nov. 14, 2022

EOL Owner

Jose L. Medina
JoseMedina3@eaton.com

Eaton is announcing that the FX3100 will be transitioned to End-of-Life status on November 21, 2022. The closest functional replacement to the FX3100 UPS are the Eaton 9SX and 9PX UPSs. EOL units will be available on a first come, first serve basis until inventory is depleted. Eaton acknowledges this difficult decision, and we are dedicated to assisting in whatever way possible during this transition.

For further questions, please contact your Eaton presales team at: CPDSalesengineering@eaton.com
