

End-of-life (EOL) notification for Eaton 9395C UPS

Eaton is announcing end-of-life (EOL) status for the Power Xpert 9395C monolithic UPS, effective January 3, 2023. The closest functional replacements to the 9395C UPS are the Eaton 9395P and 9395XC UPSs.

Service support and spare parts will continue to be available for the 9395C UPS per Eaton's CPDI product EOL policy.
