September 23, 2005
To: AGS Fuse Customers
Subject: **AGS Fuse END of LIFE NOTICE**

Due to the low AGS fuse market demand and manufacturing site consolidations, the Cooper Bussmann AGS 9/32" ferrule fuse Series is at its end of life as a product offering.

The recommended alternative is the 9/32" x 1 1/4" ABS ferrule fuse Series that features a higher voltage rating due to its ceramic tube construction.

For more information, call our Application Engineers from 800 AM to 5:00 PM Central time at 636-527-1270, or e-mail at fusetech@cooperindustries.com
