

Eaton
Electronics Division
5735 W Las Positas Blvd #100
Pleasanton, CA 94588
www.eaton.com/electronics

July 16, 2019
To: Eaton Customers
Subject: EC REACH Statement

Eaton's Electronics Division has implemented REACH procedures and actively works with suppliers to insure components and materials meet the REACH regulation.

Electronics Division continues to review materials and components in an on-going due diligence process. Customers can request declarations for products by contacting technical support through our [Contact Us](#) form online.

Thank you for your inquiry

Sincerely,

Susan Zhao
Product Stewardship Manager
Eaton, APAC, Electronics
