

Eaton makes panel assembly EZ

Eaton's EZ Panel™ factory-assembled panelboards

Save time

Expedite the delivery of panelboard configurations with field-installed bolt-on Type BAB, GHB or GHQ breakers.

Reduce cost

Order factory-assembled EZ Panel panelboards to reduce installation time, labor and on-site coordination.

Simplify specification

Reduce ordering complexity with four primary box sizes, common circuit breaker configurations and a single catalog number.

Minimize error

Confidently supply solutions assembled by Eaton to help ensure reliable operation and accurate installation.

Featuring Eaton's EZ Panel panelboard

Unassembled

Assembled

We know the importance of your time and that's why we assembled it for you.

Simplify delivery, reduce costs and save time with the most common configurations of Eaton® EZ Box,™ EZ Trim,™ main device and panelboards interior—all in a single, pre-assembled package.*

Eaton's EZ Box and EZ Trim, the revolutionized panelboard boxes and trims, are provided standard for Eaton's lighting panelboards.
