series executive overview

EATON

Powering Business Worldwide

Our solutions at a glance

Eaton's Crouse-Hinds series and B-Line series deliver proven solutions for harsh and hazardous environments — helping customers operate safely, reliably and efficiently across the world's most demanding industries.

Hazardous area & safety communications

Robust systems for reliable communication and secure monitoring in critical environments.

- Speakers and sounders
- Beacons and strobes
- Call points
- Status lights
- Telephones and accessories
- Turnkey CCTV systems and camera stations
- PA/GA (public address/general alarm system)
- Turnkey mining automation systems

Product lines: FHF, FHF-BT, HERNIS, MEDC, Oxalis, Sonix, Yuhua

LED Lighting

Indoor and outdoor LED lighting solutions for industrial and hazardous areas.

- Emergency and exit lighting
- Linear luminaires
- Floodlights
- Low-bay/targeted and high/mid-bay luminaires
- Handlamps and portables
- Fixture handles & poles

Product lines: CEAG, Champ™

Power distribution, control & connectivity

Ruggedized and customizable power management solutions.

- Control units and stations
- Current switches
- Junction and terminal enclosures
- Cable glands, flexible conduits and accessories
- Panelboards for lighting, heating and power
- Plugs and receptacles

Product lines: Capri, CEAG, Raxton, Redapt

Process safety & automation

Smart infrastructure and protection solutions for controlling and monitoring safety-critical and process-critical operations.

- Harsh and hazardous area visualization
- Surge protection for power, signal, network and communication systems
- Alarm annunciator
- Intrinsically safe power supplies, Ethernet switches and media converters
- Industrial security systems
- Temperature multiplexers

Product lines: GECMA, MTL, RTK

Support systems

B-line series support systems for electrical and mechanical infrastructure.

- Strut systems
- Seismic bracing solutions
- Vibration isolation solutions
- Dura-Blok rooftop supports
- Safety grating*
- Pipe hangers and mechanical supports

Product lines: Dura-Blok™, Grip Strut™, Perf-O Grip™, TOLCO™

*Offered in U.S. and Canada.

Global project & engineering support services

Global expertise to support your project from design to delivery.

- Certification guidance
- ETO design*
- Lifecycle services
- Commissioning and installation support

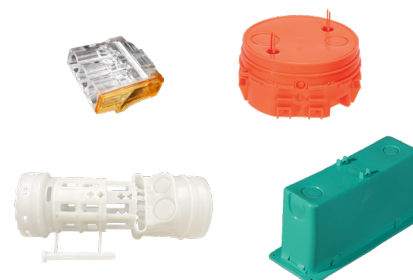

*selected product lines only

Residential electrical solutions

From drywall boxes to octopus systems, our residential range supports safe and efficient electrical installations.

- Vertical concrete formwork boxes
- Drywall boxes
- Horizontal concrete octopus systems
- Horizontal concrete pre-slab systems
- Connectors and accessories

Product lines: Capri

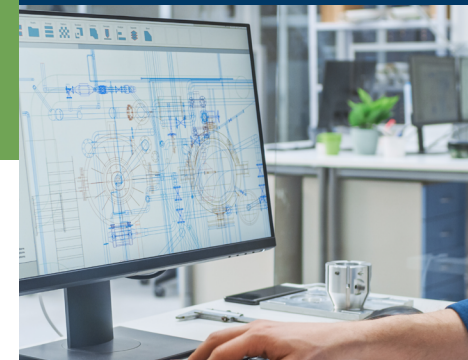

Cable ladder & cable tray systems

B-line series cable management solutions for commercial, data centers, light, industrial and heavy industrial applications.

- Cable trays and ladders
- KwikSplice™ cable channels
- Wireway and wiring trough
- Wire basket trays
- Myers™ Hubs
- Fasteners and fixing systems
- Flexible conduits and fittings
- Quick-Lok™ outlet boxes
- Telescoping brackets and mounting brackets

Product lines: Capri, Flextray™, KwikSplice™, KwikRail™, Myers™, Quick-Lok™
