

Eaton Reman™ Transmission
 + Eaton Advantage™ Series
 OR EverTough™ Clutch
 + Eaton-Approved Lubricant
 = 3-Year/Unlimited-Mile
 Transmission **AND** Clutch Warranty*

Receive an enhanced 3-year total warranty on your transmission and clutch when you bundle a Standard or FLEX Reman transmission with an Advantage Series or EverTough clutch and Eaton-approved lubricant. Standard warranties apply on individual purchases of the transmission and clutch.

Build your Reman Bundle in Three Easy Steps

Step 1: Select a Reman Transmission

An Eaton Reman transmission, whether Standard or FLEX, is made with Genuine Eaton parts and more new parts than an ordinary rebuild. Every unit is performance tested to ensure Eaton quality specifications.

Step 2: Select an Advantage Series or EverTough Clutch

Eaton's Advantage Series clutches are made for the long haul. They feature a 50K mile standard lubrication interval for linehaul applications and come with a standard 3-year unlimited warranty. EverTough clutches offer a unique combination of durability and support in an aftermarket clutch. All EverTough clutches are 100% new and offer a standard two-year unlimited mile warranty, which is upgraded to three years when bundled.

Step 3: Fill with Eaton-Approved Lubricant

Eaton's PS-386 Synthetic Transmission Fluid is designed specifically to optimize performance in Eaton transmissions. PS-386 improves fuel economy, reduces friction and gear wear, and prolongs the life of your transmission. Eaton-approved PS-386 is a necessary component in the Reman Bundle Program.

*Applies to applications in the U.S. & Canada only. Please refer to the Roadranger Warranty Guide (TCWY0900) for the latest warranty time and mileage offerings.

Replace with only genuine Eaton parts for performance, durability and warranty assurance.
