

# Pauluhn ProConnect-PS 263 and 264 wiring devices

Conforms to IP66

11P

## Applications:

- Marine and watertight requirements

## Features:

- Unique pin and sleeve design prevents accidental mating of non-marine rated devices
- Available mating metal or non-metallic plugs with integral threaded ring maintain a watertight seal
- Neoprene gasket resists petroleum
- Water shedding inverted mounting style
- Reverse service feed available
- Extended cover provides additional wiring capacity
- Cast marine brass or copper-free aluminum construction available
- Captive threaded receptacle cap
- Optional two-pole rotary switch combinations
- Heavy duty mounting pads
- Silicone lubricant provided for cover screws and flange
- Available in 125 VAC, up to 600 VAC
- 2-pole, 3-wire or 3-pole, 4-wire units available
- 125 VAC, 20 ampere ANSI NEMA adapter plug available

## Certifications and compliances:

- Conforms to IP66
- ABS

## Standard materials:

- Plug body and ring – cast marine brass, zinc plated brass or Acrylonitrile Butadiene Styrene/polycarbonate blend (ABS+PC)
- Receptacle and plug interior – Acrylonitrile Butadiene Styrene/polycarbonate blend (ABS+PC)
- Box and cover – cast marine brass or copper-free aluminum
- Pins and sleeves – free machining brass
- Caps and ring – marine brass or zinc plated brass
- Hardware – stainless steel
- Gasket – one-piece neoprene

## Technical specifications:

- Entries – standard units undrilled; up to 3/4" NPT through feed available

### Voltage and current ratings:

#### Receptacle

- 125 VAC, 20 amperes maximum
- 208 VAC, 20 amperes maximum
- 250 VAC, 20 amperes maximum
- 277 VAC, 20 amperes maximum
- 480 VAC, 20 amperes maximum
- 600 VAC, 20 amperes maximum

#### Switch

- 20 amperes, 120/240 VAC
- 1 HP at 120 VAC or 2 HP at 240 VAC

## Mounting options:

- Surface mount (via two/three) or flush mount (via four) 1/4" bolts (not included)

## Options:

Description	Suffix
• 208 VAC.....	<b>208<sup>A</sup></b>
<i>3-pole, 4-wire only</i>	
• 250 VAC.....	<b>250<sup>A</sup></b>
• 277 VAC.....	<b>277<sup>A</sup></b>
<i>2-pole, 3-wire only</i>	
• 480 VAC.....	<b>480<sup>A</sup></b>
• 600 VAC.....	<b>600<sup>A</sup></b>
<i>3-pole, 4-wire only</i>	
• Reverse service.....	<b>RS</b>
<i>Available with single-gang only</i>	

## Entry options:

NPT trade size	Dead end	Through feed
1/2"	E1	C1
3/4"	E2	C2

<sup>A</sup> Replace '125' in catalog number.
