Weatherproof covers for locking and straight blade receptacles

Product description
Nylon covers for FS/FD boxes

Weatherproof nylon covers for 15A, 20A & 30A devices

Features
- UL Listed for wet locations (cover closed) and damp locations (cover open or closed)
- Meets 2014 NEC® 406.9 (A) and 406.9 (B)(2)
- Rugged, glass-filled nylon provides high strength and wide temperature range for long life in abusive environments
- Easy mounting on FS/FD boxes or equipment panels
- Self-closing lift lid cover with neoprene gasket and stainless steel spring provides weather-proof protection
- Universal mounting holes to accept all Eaton’s 15 & 20A and 30A locking flanged inlets and outlets, receptacles as well as devices with similar dimensions from other manufacturers

Glass-filled nylon covers
