Technology

Upgrade your lifestyle

Eaton's AL series dimmers incorporate the latest in dimming technology, ensuring you have the right dimmer every time. Create the perfect ambiance you desire while reducing energy consumption.

Lighting controls that deliver one of the greatest energy savings are occupancy sensors. Sensors are ideal for any application with universal load and wiring compatibility, selectable and dimmable nightlight option on some models, and unparalleled features.

Award-winning USB charging receptacles help you charge your electronics without an adapter. Patrol nightlights improve way-finding in the dark and multimedia wallplates with surge protection hide cords behind walls while protecting your electronics.
