Eaton’s Universal Dimmers are designed to match the ever-advancing technology of LED lights. In addition, these dimmers reduce energy consumption without compromising aesthetics, features or performance. Ideal for residential and light commercial applications.
Eaton’s universal dimmers are ergonomically designed and provide flicker-free dimming for seamless ambiance.

**Highly versatile**
Compatible with dimmable LED/CFL, INC, HAL, dimmable FLR, ELV and MLV light sources.

**Adjustable low-end trim**
Set the minimum light level for each switch using a simple control.

**Flicker-free dimming**
Microprocessor-based design enhances performance and delivers seamless dimming.

**Easy installation**
No neutral wire required. Back wire clamps speed installation.
