Eaton’s Arrow Hart
Heavy-duty industrial grade switches

Heavy-Duty Industrial Grade Switches

Robust construction for commercial applications

EATON
Powering Business Worldwide
Heavy-duty industrial grade switches

Product description
Single pole, double pole, 3-way, 4-way
15A & 20A, 120/277 V/AC

Design features
• Rugged thermoplastic top and bottom housing provides durability and strength
• Color-coded top housing helps identify amperage: Blue = 15A; Red = 20A
• Back and side wire terminals accept up to #10 solid or stranded wire
• Dual back-wire holes for maximum feed-through wiring flexibility
• One-piece brass contact arm assures proper contact for low-resistance switching
• Automatic grounding eliminates need for bonding jumper in metal enclosures
• Tri-Combo terminal and mounting screws for flexibility in installation

Heavy-duty industrial grade switches, back & side wire
