Combination USB Devices
Conveniently charges electronic devices without an adapter.
### Eaton’s high powered charging solutions

**USB-C charging devices**
- Standard duplex receptacle with one USB-C and one traditional outlet.
- Dual A สี, charging capacity.
- Not suitable for power over Ethernet applications of 250 Mbps or above.

**USB-A/C charging devices**
- Quick and easy access for both USB charging stations and other charging plugs.
- Cord management offering easy cable management.
- Dual A สี, charging capacity on USB-ports can be changed to other types.
- Available in 3A & 20A.

**USB-A charging devices**
- Quick and easy access for both USB charging stations and other charging plugs.
- Dual A สี, charging capacity.
- Available in 3A & 20A.

Innovative solutions for fast and convenient charging!

Eaton’s high powered charging solutions

USB-C charging devices
- Dual USB-C ports
- 5V 3.1A charging capacity
- Reversible ports allow for consistent charging device orientation
- Available in Ivory and White
- USB-C/A duplex receptacle
- Quick and easy access for both USB-C and Type-A charging devices

USB-A charging devices
- Dual USB-A ports
- 5V 2.4A charging capacity
- Available in Ivory.
- 15A, 125V/AC, 5V DC 2.4A; 20A, 125V/AC, 5V DC 3.1A

Product description
- 2 ports, Type-A/Type-C (Ivory, Black, Brown, Gray, Light Blue, Lilac, White)

Design features
- Steel mounting strap is zinc plated for added corrosion resistance
- Convenient patented built-in wire strippers
- Tamper resistant built-in wire strippers

Compliance and ordering information
- UL 498 & UL 1310 listed
- NEMA 5-15R, 5-20R
- Color ordering information:
- TRUSBAC15__, TRUSBAC20__

USB high power charging devices

Product description
- 4 ports, Type-A/Type-C (Ivory, Black, Brown, Gray, Lilac, White, Light Blue, Light Blue, Black, Light Blue, Lilac, White)

Design features
- Steel mounting strap is zinc plated for added corrosion resistance
- Convenient patented built-in wire strippers

**Charging solutions for every device**

Eaton's high powered charging solutions

**USB-C charging devices**

- **USB-C charger with TR duplex receptacle** offers fast, convenient charging for devices with Type-C ports.
- **USB-C charger with TR duplex receptacle, wire leads** provides the same functionality as the plug-in version with additional wire leads for added convenience.
- **USB-C charger with hospital grade TR duplex receptacle** ensures safety and reliability in hospital settings.

**USB-A charging devices**

- **USB-A charger with TR duplex receptacle** provides reliable charging for devices with Type-A ports.
- **USB-A charger with TR duplex receptacle, wire leads** offers the same functionality as the plug-in version with additional wire leads.
- **USB-A charger with hospital grade TR duplex receptacle** ensures safety and reliability in hospital settings.

**USB multiport charging station**

- **USB-C charging station** combines multiple USB-C ports with Type-A and Type-C ports to charge a variety of devices simultaneously.

**Combinations with TR display receptacles**

- **Rated 15A, 125V/AC, 5V DC, 3.1A**
- **Rated 20A, 125V/AC, 5V DC, 3.1A**

**Color ordering information**

- **Available in:**
  - B (Brown)
  - BK (Black)
  - GY (Gray)
  - LA (Light Almond)
  - RB (Oil Rubbed Bronze)
  - SG (Silver Granite)
  - V (Ivory)
  - W (White)

For ordering devices, include Catalog no. followed by the Color suffix: B (Brown), BK (Black), GY (Gray), LA (Light Almond), RB (Oil Rubbed Bronze), SG (Silver Granite), V (Ivory), W (White)

**Combination USB charger with TR receptacle**

- **15A, 125V/AC, 5V DC, 3.1A**
- **20A, 125V/AC, 5V DC, 3.1A**

**USB charging station**

We make what matters work.

At Eaton, we believe that power is a fundamental part of just about everything we do. Technology, transportation, medicine and health care—all of these rely on electricity. That’s why Eaton is dedicated to helping our customers find new ways to manage electrical, hydraulic, and mechanical power more efficiently, safely, and sustainably. To improve people’s lives, the communities where we live and work, and the planet our future generations depend upon. Because that’s what really matters. And we’re here to make sure it works.
