

Crimp specs in a flash!

Find your crimp specs quickly and easily with the PowerSource Crimp Spec tool. You can create a custom crimp chart from your desktop following these simple steps.

1. Go to PowerSource

Visit eaton.com/crimp or select the Crimp Specs option from the Tools menu on PowerSource.

2. Enter criteria

Select your crimp spec criteria. This includes Assembly Machine(s), Product Line, Hose Series, Hose Size, and Fitting Style.

3. Download

Locate the download icon at the top right of the screen and select either the PDF or Excel option to generate your custom chart.

*Excel format allows you to perform custom sorting, filter data, remove unneeded fields, and to add custom notes and color coding.

Crimp specs on the go!

Eaton's mobile crimp spec tool provides a four-step guided selection process for quick access to crimp specs on your mobile device.

It's as easy as:

- Visit eaton.com/crimp on your mobile device
- Find your machine
- Select your hose series
- Select your hose size
- Find your fitting style

Get results, fast! You can even bookmark the crimp spec page and add it as an app on the home screen of your mobile device for easy access at any time!

For iOS, open the webpage in Safari, click the boxed arrow icon at the bottom of the screen, and select the plus sign icon "Add to Home Screen."

For Android, open the webpage, click the three vertical dots on the top right hand corner, and select "Add to Home Screen."
